

Rainy Day Coupon (For Late Homework Turnin)

This coupon allows you to turn one homework in late, with no penalty.

- The homework must be delivered to me *before* the next class period.
- “Later during the period the assessment was due” still counts as “late.”
- You’ll receive no penalty for lateness, if you use this correctly.
However, the homework will still be *graded*.
- You must staple this coupon to the homework.
- If not used, this coupon is worth 1 extra credit point (I’ll keep track).

Rainy Day Coupon (For Corrections)

This coupon allows you to correct up to 5 points on any assessment! The rules are:

- **You must resubmit your first (erroneous) solution.**
- **You must then correct the erroneous solution.**
- **You must write a sentence about what you learned from doing the problem a second time.**

In-person class MTH 098 can submit all this on paper. Online MTH 098 classes can just gather it all into a word document and email it to me.
